

September 17, 2019 - Griffin Dugan

## 1 Our Plan:

- Figure out the new challenge
- Brainstorm early ideas

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Mauris id lacus et justo finibus mattis id et ante. Quisque a cursus enim. Donec sit amet fermentum sapien, eu scelerisque massa. Aliquam quis tempus turpis, sit amet faucibus dui. Proin at sem diam. Donec justo diam, accumsan a consequat eu, gravida in ligula. Proin interdum interdum egestas.

## 2 What We Got Done:

- Figured out the new challenge
- Begun brainstorming

Today we did blah blah blah.

## 3 What We Didn't Get Done:

- Nothing!

Donec in mi vitae est blandit tempor eget ut dui. Nunc tincidunt lacus eget sem finibus pulvinar at ut neque. Maecenas vitae faucibus lorem. Phasellus condimentum faucibus dolor. Donec cursus luctus aliquam. Proin non arcu risus. Donec iaculis maximus porttitor.

## 4 Next Practice:

- Introduce new people to the team
- Get to know new team members and their level of robotics experience

- Organize our materials
- Figure out what we need to buy for this year
- Form committees and find members for them

The next practice is... (Saturday, 2/16/2019 ). Robotics contest on Saturday.
